ATTN: Ladies and Gentlemen

I write your firm hoping to seek your legal representation in a matter regarding the breaking of my foot, which occurred several months ago in which it was made clear and instructed by an examining doctor that I needed constructive surgery on my foot and ankle; also in my condition of not being able to walk and defend myself, I was attacked by an inmate who beat me all about the body as I made a futile attempt from this person attack of my person as C/O watched and did nothing to stop the attack which was due to the numerous charges that I am being charged with (Serial Rapist) I am innocent of the allegation against me however. The officer as well as the media has defamed my character and ruined my life please help. If there isn't any thing your ~~firm~~ firms cannot do for me please send me your letter of denial of service so that I will have the proof that I made the attempt to seek legal REPRESENTATION

Respectfully submitted *X* James Hampton
